Internet Banking

Internet Banking offers users access to all of their banking needs with a 128bit encryption security. With Internet Banking users can access the following services:

- Account Information and History
- Transfer Funds to different Accounts
- View Bank Statements
- Set Nicknames for your accounts
- Bill Pay
- Set Alerts
- Loan, Savings, Retirements, and Bond Calculator

Signing up for Internet Banking is as easy as going to www.bentonbank.com, clicking on "Internet Banking" and following the step by step wizard.

Mobile Banking

Mobile Banking is the ultimate on-demand, secure 128bit encryption service. With it, users can access their account information 24/7 from any mobile phone with either text messaging, Mobile Web access, or through the downloadable APP.

Text Banking

With Text Banking users can view account balances, view recent transaction history, and receive text "Alerts" on selected accounts.

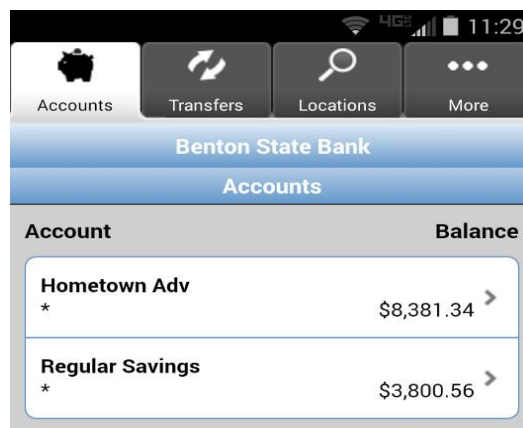

Mobile Web Banking

With Mobile Web Banking users can perform the same tasks as Internet Banking with compatibility for all mobile devices.

Smart Phone App

Users can download the free Smart Phone App from the App Store called "Touch Banking". In order to use the App users must have an active Internet banking account.

Bill Pay

Bill Pay offers users the ability to pay bills online quickly and securely straight from your checking account or any account users specify.

Bill Pay also offers the following features:

- View Bill History
- Manage Bills
- Transfer money to another person's account
