REGULAR CHECKING

If you write just a few checks per month (15 or less) and maintain an average collected monthly balance of \$250.00, then our Regular Checking is for you. A minimum deposit of \$50 will open this account. Should your average collected monthly balance drop below \$250.00, then a small maintenance fee of \$4.00 (\$2.00 with E-Statements) will be assessed, as well as, a per check fee of \$.10 in excess of fifteen per statement cycle in which the account is subject to the maintenance fee. Upon request, this fee will be waived for full time

students and customers age 55 and over (Hometown Protect & business accounts are not applicable.) No interest will be paid on this account regardless of the balance.

NOW CHECKING*

Let your money work for you! With our NOW Account you can earn interest. As an added benefit, this account allows you to enjoy unlimited check writing. A minimum deposit of \$500 will open this account. A monthly maintenance fee of \$6.50 is waived if you maintain a principal balance of \$500.

SUPER NOW CHECKING*

If you carry larger balances in your checking account and want to earn interest on those funds, then our Super NOW Account is for you. You can open this account with a minimum deposit of \$2,500 and enjoy unlimited check writing. Simply by maintaining a principal balance of \$2,500, you will avoid a monthly maintenance fee of \$6.50.

MONEY MARKET CHECKING*

If you have fewer than six pre-authorized transfers each statement period, (Internet banking transfers do not count against the six) then our Money Market Account is for you. A minimum deposit of \$2,500 will open this account. The interest rate and annual percentage yield for this type of account depends upon the applicable rate tier for average balance. A monthly maintenance fee of \$6.50 is waived if you maintain a principal balance of \$2,500.

*Please contact our financial institution for current rates and annual percentage yields. At our discretion, the interest rate and the annual percentage yield may change on this account at any time. We use the daily balance method to calculate the interest on your account. The daily balance method applies a daily periodic rate to the principal in the account each day. You will earn interest for every day during the period that your account equals or exceeds the minimum daily balance requirement. Falling below the minimum balance requirement will affect the earnings because of the \$6.50 minimum balance fee. Maintenance fees will be waived for customers age 55 and over, upon request (business accounts are not applicable.) Interest will be compounded monthly. Interest will be credited monthly. Interest begins to accrue on the business day you deposit noncash items (for example, checks.) This account is subject to the bank's Funds Availability Policy, provided in this pamphlet (this excludes Money Market and Savings accounts).

This account is considered dormant after 365 days with no

deposit or withdrawal activity. Any and all fees related to these accounts are only applicable if the minimum balance requirements are not met, excluding \$10 fee for Hometown Protect Add On. This fee will be charged when the customer has opted in. A tiered rate structure applies to the Money Market account only.

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. All deposits made through ATM's not owned by us will be made available on the third business day after we receive them. Once they are

available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 4:00 P.M. at the Benton State Bank, Shullsburg Community Bank or Tennyson/Potosi Community Bank, M – TH or 6:00 p.m. on Friday on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after these times or on a day we are not open, we will consider that deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$225.00 of your deposits will be available on the first business day after the day of deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:
